RE: MEDICAL TRAINING CENTER RECOVERY ACT PROGRAM RFA

Enclosed are the instructions and forms for submitting the Request for Application (RFA) for the Medical Training Center Recovery Act Program for the August 1, 2009 through July 31, 2010 grant year.

This grant program is authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) (the "Recovery Act"). The stated purpose of the Recovery Act is to preserve and create jobs, and promote economic recovery.

Consistent with the special purposes and goals of the Recovery Act, and its strong emphasis on accountability and transparency, it is essential that all funds from a Recovery Act grant be tracked, accounted for, and reported separately from all other funds (including federal grant funds from non-Recovery Act grants awarded for the same or similar purposes or programs). Sub recipients must also be prepared to track and report on the specific outcomes and benefits attributable to use of Recovery Act funds. **Sub recipients will be required to submit monthly fiscal and programmatic reports.**

Please complete the enclosed materials and submit to Cal EMA by **5:00 p.m. on June 19, 2009**. Refer to Part I of the RFA for further submission information.

Direct all questions regarding this RFA to: Kathy McCabe (916) 324-9229 or Katherine.mccabe@oes.ca.gov.

Sincerely,

Linda Bowen, Chief
Sexual Assault Section

D. ELIGIBILITY

The California Medical Training Center at the University of California, Davis is eligible to apply.

E. FUNDS

The project must budget funds for (12) twelve months. The grant period will begin August 1, 2009 and end July 31, 2010. A total of \$628,414 is available for the FY 2009/2010 grant year.

VAWA Recovery Act S*T*O*P funds – \$628,414 The federal Violence Against Women (VAWA) S*T*O*P Formula Grant Program has a match requirement of 25% of the total project cost or \$209,471.

This grant program is authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) (the “Recovery Act”).

The stated purpose of the Recovery Act is to preserve and create jobs, and promote economic recovery.

Consistent with the special purposes and goals of the Recovery Act, and its strong emphasis on accountability and transparency, it is essential that all funds from a Recovery Act grant be tracked, accounted for, and reported separately from all other funds (including federal grant funds from non-Recovery Act grants awarded for the same or similar purposes or programs). Sub recipients must also be prepared to track and report on the specific outcomes and benefits attributable to use of Recovery Act funds. **Sub recipients will be required to submit monthly fiscal and programmatic reports.**

The accounting systems of all sub recipients must ensure that funds from any award under this Recovery Act are not commingled with funds from any other sources.

Federal funds must be used to supplement existing state or local funds for program activities and must not replace those funds that have been appropriated for the same purpose.

Original publications (written, visual, or sound) produced in whole or in part with S*T*O*P funds must contain the following statement:

This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice, and through Grant Award Number _____ from the California Governor’s Office of Emergency Services (OES) Points of view, opinions, findings and conclusions in this publication are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice or of OES. OES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use these materials and to authorize others to do so.

The Grant Recipient Handbook, Section 5120, advises projects to notify OES 60 calendar days in advance of intended publication. For this particular grant program, all such original publications must be submitted to OES for review and approval. OES is required to submit one copy of all reports and proposed publication resulting from this grant award to the Office on Violence Against Women twenty (20) days prior to public release.

F. PROGRAM INFORMATION

California Penal Code 13823.93 established the Medical Training Center Program to train forensic medical examiners in cases of domestic violence, child sexual abuse, child physical abuse and neglect, and elder/dependent abuse. However, allowable uses of VAWA STOP funds are restricted to purposes specified in the VAWA Act. VAWA stands for Violence against Women thus, these funds **must be used for adult sexual assault purposes only.**

The specific VAWA Recovery Act STOP purposes applicable to the Medical Training Center grant program are:

Purpose #8: Supporting formal and informal statewide multidisciplinary efforts to coordinate the response of law enforcement agencies, prosecutors, courts, victim service agencies, and other agencies and departments, to violence crimes against women.

CalEMA's has determined that Medical Training Center Recovery Act funds are to be directed toward Sexual Assault Response Team efforts.

Purpose #9: Training of sexual assault forensic medical personnel examiners in the collection and preservation of evidence, analysis, prevention, and providing expert testimony and treatment of trauma related to sexual assault.

Because VAWA addresses crimes against women, these funds may only be used to train individuals on adult sexual assault forensic medical examinations.

One additional reminder: On February 17, 2009, President Obama signed the landmark American Recovery and Reinvestment Act of 2009, which included VAWA STOP monies. **In accepting these monies, CalEMA's Secretary had directed that all VAWA STOP Recovery Act funds are to be expended; none of these funds are to be unspent or reverted.** Thus, it is important that all Recovery Act funds awarded to the Medical Training Center be expended, that the University of California's accounting procedures ensure timely (**monthly**) submission of Requests for Reimbursement to CalEMA, and that there be concerted efforts to ensure that this directive is met.

ADA Compliance

Applicants must be in compliance with the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C. 12101, et seq, and Title 28 of the Code of Federal Regulations, part 35. REQUEST FOR APPLICATION**

PART II – INSTRUCTIONS

The instructions in this section correspond to each of the application components and to the forms required to complete the application.

The applicant must use the forms provided in the Table of Contents of this RFA or the “Forms” (FORMS) provided on our website and plain 8½” x 11” white paper for the application. The blank Project and Budget Narrative pages on the website have been pre-formatted to CalEMA standards. If you create your own computer-generated Project and Budget pages, the format must duplicate the CalEMA pre-formatted pages.

Copies of the application must be assembled separately and individually fastened in the upper left corner. ***Do not bind application.***

A. PROJECT NARRATIVE

The project narrative is the main body of information describing the achievable objectives and activities, and the ability of the applicant to implement the plan.

Objectives and Activities:

- a) Train _____ medical personnel on forensic sexual assault medical examinations in southern California, including development of products/educational tools to support this objective.
- b) Provide _____ Sexual Assault Response Team (SART) Transfer of Knowledge conference to include prosecutors, law enforcement agencies, rape crisis centers, victim witness projects and criminalists.

B. PROJECT BUDGET

The purpose of the project budget is to demonstrate how the applicant will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **only** those items covered by grant funds, including match funds when applicable. The applicant may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the applicant should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to CalEMA modifications and approval.

CalEMA requires the applicant to develop a **line item** budget which will enable the project to meet the intent and requirements of the program and ensure the successful and cost effective implementation of the project. Failure of the applicant to include required items in the budget not eliminate responsibility to comply with those requirements during the implementation of the project. The applicant should refer to the *Recipient Handbook* for additional information concerning CalEMA budget policy or to determine if specific proposed expenses are allowable. The *Recipient Handbook* is accessible on our website at www.CalEMA.ca.gov. Select the "Justice Programs" tab, then "Grant Applications & Proposals (RFAs/RFPs)," then look in the "Related Links" for "*Recipient Handbooks*." Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

1. Budget Narrative

The applicant is required to submit a narrative with the project budget. The narrative must be typed and placed in the application in front of the budget pages. In the narrative describe:

- How the applicant's proposed budget supports the objectives and activities.
- How funds are allocated to minimize administrative costs and support direct services.
- The duties of project-funded staff; including qualifications or education level necessary for the job assignment. This does not take the place of the brief justification required in the line item budget.
- How project-funded staff duties and time commitments support the proposed objectives and activities.
- The proposed staff commitment/percentage of time to other efforts, in addition to this project.
- The necessity for subcontracts and unusual expenditures.
- The mid-year salary range adjustments.

2. Specific Budget Categories

There is an Excel Workbook in the Table of Contents of this RFP or on our website in "*Forms*" ([FORMS](#)) with spreadsheets for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

The left column of each budget category on the Spreadsheet requires line item detail including the calculation and justification for the expense. Enter the **whole dollar amount only** (no cents), on each line item and match in the correct column of the Budget Category form. The spreadsheet will sum each addition. You may add extra rows if necessary, the spreadsheets total at the end of each budget category and total the three spreadsheets at the bottom of the last page (Equipment). The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

The bottom of the Equipment Category form contains a format for identifying the project total and fund distribution. This section must be completed and submitted even if there are no line items identified in the equipment category.

a. Personal Services – Salaries/Employee Benefits (CalEMA 2-106a) (formerly OES A303a):

1) Salaries

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) in the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two.)

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses (CalEMA 2-106b) (formerly OES A303b):

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these fall under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during a CalEMA site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

c. Equipment (CalEMA 2-106c) (formerly OES A303c):

Equipment is defined as nonexpendable tangible personal property having **a useful life of more than one year** and an acquisition cost of \$5,000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (i.e., three laser jet printers must be one line item, not three).

C. APPLICATION APPENDIX

The Application Appendix provides CalEMA with additional information from the applicant to support components of the application. The following must be included:

- Noncompetitive Bid Request (CalEMA 2-156)
- Out of State Travel Request (CalEMA 2-158)
- Computer and Automated Systems Purchase Justification Guidelines (CalEMA 2-157)

PART III – ADDITIONAL INFORMATION

The applicant is strongly encouraged to review the following sections in preparing the application.

- A. Finalizing the Grant Award Agreement
- B. Administrative Requirements
- C. Budget Policy
- D. Glossary of Terms

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. CalEMA does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, CalEMA may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

CalEMA Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Processing Grant Awards

a. Grant Award Conditions

CalEMA may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by CalEMA.

b. Grant Award Agreements

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received.

c. Grant Award Amounts

When the amount of funds available is limited, CalEMA may reduce the amount of the grant award from the amount requested by the applicant. In addition, CalEMA reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, CalEMA will notify the applicant prior to executing the Grant Award Agreement.

B. ADMINISTRATIVE REQUIREMENTS**1. The Recipient Handbook (RH)**

The *Recipient Handbook* is accessible on our website at www.oes.ca.gov. Select the "Justice Programs" tab, then "Grant Applications & Proposals (RFAs/RFPs)," then look in the "Related Links" for "*Recipient Handbooks*." The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

2. Internet Access (RH 11500)

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

3. Progress Reports and Data Collection (RH 10100)

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, CalEMA will review these records for accuracy and compare them with the reported data submitted on the progress reports.

4. Monthly/Quarterly Report of Expenditures and Request for Funds (CalEMA 201) (RH 6300)

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (CalEMA 2-201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form CalEMA 2-201 will result in the withholding of funds and may result in the recommendation to CalEMA's Executive Secretary for termination of the grant award.

5. **Technical Assistance/Site Visits (RH 10300)**

Funded projects are assigned a CalEMA program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement. Program specialists are available to assist the project in the successful implementation of the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. **Monitoring Requirements (RH 10400)**

A monitoring visit is an onsite assessment by CalEMA staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

7. **Bonding Requirements (RH 2160)**

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to CalEMA a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of CalEMA-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, California Emergency Management Agency" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

8. **Audit Requirements (RH 8100)**

To safeguard CalEMA assets and to ensure all funds are accounted for, CalEMA requires that organizations receiving a CalEMA grant award(s) be audited in accordance with *Recipient Handbook* section 8100.

9. **Copyrights, Rights in Data, and Patents (RH 5300-5400)**

CalEMA owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

10. Source Documentation (RH 10111)

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the program. Recipients will be required to have written job descriptions on file for positions funded by CalEMA detailing specific grant-related activities to achieve project objectives.

C. BUDGET POLICY

This document summarizes information on CalEMA Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at www.oes.ca.gov, by selecting the “Justice Programs” tab, then “Grant Applications & Proposals (RFAs/RFPs),” then look in the “Related Links” for “*Recipient Handbooks*.”

1. Supplanting Prohibited (RH 1330)

Grant funds must be used to supplement existing funds for program activities and ***not replace*** funds appropriated for the same purpose. A written certification must be provided to CalEMA indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1330 of the *Recipient Handbook*.

2. Project Income (RH 6610)

Project income such as client fees and fees for services provided by the project (e.g., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

3. Methods of Contracting and/or Procurement (RH 3400)

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by CalEMA program staff, is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which require prior CalEMA approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. CalEMA will provide assistance in submitting a noncompetitive bid request, if CalEMA determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. Match Requirements (RH 6500)

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match specified in the budget will become part of the grant award. (Specific instructions for calculating the match are provided in Sections 6550 – 6550.2 of the *Recipient Handbook*.)

5. Travel Policies

The following is CalEMA's current travel policy:

a. Travel and Per Diem (RH 2236)

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel (RH 2236.11)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for CalEMA approval.

2) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of .55 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

3) Meals and Incidentals

a) Breakfast \$6.00

The agreement between the recipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the operating expenses category of the grant budgets.

7. Independent Contractor / Consultant (RH 3710)

Consultant services are provided on a contractual basis by individuals or organizations not directly employed by the applicant (see *Personal Services – Salaries*). Independent contractors must not be used in lieu of employees. Independent contractors are defined as individuals or organizations meeting some or all of the following criteria:

- produce a specific product or service;
- work independently without direct supervision from the applicant;

- work on specific projects;
- provide services for a limited number of hours or period of time; and/or,
- have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

a. Rates (RH 3710.1)

The maximum rate for independent contractors is \$250.00 per hour (excluding travel and subsistence costs). A request for compensation over \$250.00 per hour requires **prior approval** from CalEMA and additional justification.

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government can not provide services without this cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (RH 3710.2)

Projects, which routinely utilize “expert witnesses” as independent contractors to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. The maximum allowable rate for witness fees is \$250.00 per hour up to \$2,000 per day. The total amount budgeted for expert witness fees must not exceed ten percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert;
- specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), Medical Doctor (MD)];
- rate of pay per hour, including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if the expert is paid according to services (e.g., mileage, waiting time, court testimony);
- proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation);
- justification for why this cost cannot be paid with other funds (attach the justification to CalEMA 2-106b, formerly OES A303).

8. Facility Rental (RH 2232)

Up to \$21 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit and should not be submitted with the application.

a. Rental Space for Training and Counseling Rooms

Rental space for training and individual and/or group counseling rooms may also be charged to the grant providing the charge is based on actual costs and not reimbursed by another source.

9. Rented or Leased Equipment (RH 2233)

An explanation and cost analysis is required when is equipment rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by CalEMA prior to the execution of a rental or lease agreement.

10. Indirect Costs/Administrative Overhead (RH 2220)

Indirect costs are those not readily itemized or assignable to a particular project, but necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs. Flat rates not exceeding ten percent (10%) of personnel salaries (excluding benefits and overtime) or five percent (5%) of the total direct project costs (excluding equipment) may be budgeted by the applicant for indirect costs if allowable by the funding source.

11. Audits (RH 8150)

Recipients expending between \$25,000 and \$499,999 in federal or state funds annually cannot use federal funds to reimburse for costs associated with audits. Recipients expending \$500,000 or more in federal grant funds annually are required to secure an audit pursuant to OMB Circular A-133 and are allowed to utilize federal grant funds to budget for the audit costs.

- Specifically, the allowable audit costs are as follows: if the total project cost is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- If the total project cost is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total grant for financial audit costs.

12. Equipment (RH 2300)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (including tax, installation and freight).

A line item is required for each different type of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the project for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is

requested, the project will be required to submit justification, including cost-effectiveness. Prior approval by CalEMA is required.

2) Units of Government (RH 2342.2)

Units of government may budget for computer equipment, software, and related costs. CalEMA will evaluate the proposed purchase on the basis of grant-related need. CalEMA must give approval prior to purchase. If federal grant funds totaling in excess of \$100,000 are used for automated data processing purchases, prior federal approval is also required. The Recipient will be sent instructions for preparing the justification.

3) Computer Purchase Justification (RH 2341)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. The Recipient will be sent instructions for preparing the justification.

c. Automobiles (RH 2331)

Automobiles are not allowable items unless permitted by the terms of the program. If an automobile is included in the budget, substantial justification demonstrating the grant-related need will be required before finalization of the Grant Award Agreement. The justification must describe the need for the automobile, including the size of the service area, the need to provide direct service away from the office, and the reason why the agency will not allow personal automobile usage during work hours. A cost analysis for automobile purchase as compared to other options including lease and personal automobile use and mileage, must be done and kept on file for review by CalEMA's program staff during a site visit, monitoring visit, and/or audit.
